## Natural Egg Protein

### GAIN FLEXIBILITY. KEEP YOUR LABEL.

Dogs, cats, pet owners, livestock growers—everyone sits up and takes notice when natural egg protein is on the menu. Now, Ova 40 gives you even greater flexibility to meet your nutritional goals with egg protein, without changing your label.

Ova 40 natural egg protein delivers the balanced amino acid profile, energy, vitamins, and minerals that make pet foods, treats, and commercial livestock feeds more appealing—all together in a new label-friendly option, only from IsoNova.

#### Benefits:

- Industry-leading amino acid profile
- High protein-to-ash ratio (8:1 or better)
- Natural and label-friendly
- Shelf-stable
- Nutritionally efficient compared to other protein sources
- Highly cost-effective

#### Specification:

PROTEIN	FAT	MOISTURE	ASH
